## Learning

I am a person who is keenly interested in leaning soo many different things and very curious who attempt to push himself in uncomfortable zone for growth. I am not only just thinks about myself but also about everyone and tries to contribute and help everyone from best of my ability.

I am a person who if determined for anything then he will definitely succeed in it and gives his 100%.

A person who is always ready to accept any challenge and face hardship with a smile:)
